Manchester Ward 6 Alderman Candidate

Joe Whitten formally kicks off campaign

More than 100 RSVP for event; Mayor Ted Gatsas to attend

MANCHESTER (Sept. 4, 2013) – **Joe Whitten**, candidate for Alderman in Ward 6, officially kicks off his campaign with a fund-raiser at **Moe Joe’s Family Restaurant; 2175 Candia Road; Manchester (Ward 6)**. The event starts at **6:00 p.m.** and is on **Thursday, Sept. 5**.

“When I contemplated running, the one thing I kept hearing from my neighbors is that we needed an alderman who was around,” Whitten said. “Until recently, Ward 6 had the most active aldermen in the city; they went to events, returned phone calls, and were a presence in the ward. I want our ward to receive this sort of representation again.”

The event, which already has more than 100 RSVPs, will also have Manchester Mayor Ted Gatsas in attendance. In addition, there will be political, business, and non-profit leaders from across the city (and across the political spectrum) in attendance.

“Mayor Gatsas’ attendance means a lot to me,” Whitten said. “I support his efforts to bring economic development to the city while holding the line on taxes and spending. He is a great supporter of mine, and I appreciate his endorsement.”

Those looking to RSVP for the event can go to **www.facebook.com/teamjoewhitten**.

About Joe – Whitten, Business Executive for Oracle, also co-founded Charity Clothing Recycle, a local company which provides used clothing for those in need and financial support for many city non-profits and community causes. Joe, who is a lifelong resident of Manchester, is married to Sara, and has two children – Jenelle and Benjimen.
