Hi, John.

Thanks for the release. Forgive me, but it doesn't appear to provide any information that wasn't already known. Will you be responding directly to the questions I posed today or shall I report the questions as unanswered in my stories?

As a reminder, those questions had to deal with why an announcement like the one attached to this email wasn't made at the time the case was filed if she was so concerned it be a matter of public record before the election. And, as I do not see anything from the Sheriff's Office showing receipt of your delivery as claimed, shall I assume you don't have anything that proves it was delivered before the Sheriff's Office log showing it received on 11/6?

Also, would you mind forwarding a copy of the complaint itself. I'm afraid I've not had the opportunity to get one from the court and it being Friday, I'd like to be able to read the entire complaint before I write the story over the weekend.

Thanks,

Rich
