

February 27

Dear Mrs. Lemay,
I'm a little late but I'm sorry for what
you're going through. Kids don't know much respect
these days and admitting at some points I was
one of those kids. I'm sorry for any stress I ever
put you under. You were a great teacher and
a lot of the kids miss you. You taught me
a lot. I was horrible in math and now I'm
a little less horrible. You don't deserve any of
what's happening. Just remember you're better
than them and you need to keep your head
up and above all the negative thoughts and
comments. If you need anything please feel free
to reach out to me or my family.

I'm not sure what I, or we could do but we
will do anything to help! Again I'm truly sorry. ♡
Our SUPPORT is with you
every step of the way! Sincerely,
